

## CHRISTMAS AND NEW YEARS GREETING

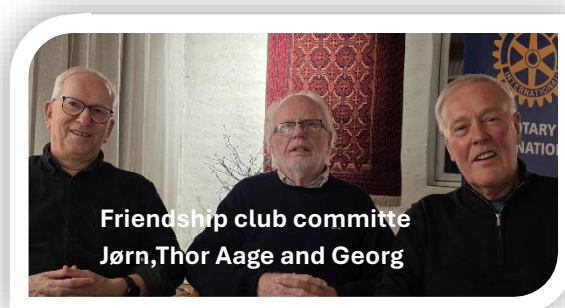

Dear sisters, brothers and friends in Vinnytsia Rotary club.

We thank you for the good cooperation we have had in the year that has almost passed.

You have been a pleasure to have as host and to work with on our common GG project.

We hope that the rehabilitation equipments are proving useful as hoped.

The big dream for the coming year is that peace comes to you in Ukraine and the need for rehabilitation become less.

We from Gjøvik Rotary club wish you a Merry Christmas and a prosperous new year.

Greetings from Gjøvik Rotary Club
